Decision about the Accreditation Procedure

Dear Professor Dr. Tumurbaatar Yadmaa,

We herewith inform you about the decision of the Accreditation Commission for Degree Programmes taken on 28th September 2018 regarding the accreditation procedure for the below mentioned degree programme. Taking into consideration the assessments of the expert panel and the relevant Technical Committee, the Accreditation Commission took the following decision:

Degree Programme	ASIIN-seal	Subject-specific label	Maximum duration of accreditation
Ba Chemistry	With requirements for one year	Eurobachelor® if all requirements are fulfilled	30.09.2023

In case the accreditation has been issued with requirements, it is valid until 25th October 2019. If the requirements are fulfilled in due time, the accreditation will be normally extended until the maximum duration indicated in the table above.

We kindly ask you to submit written documentation for the fulfilment of the requirements until 25th July 2019. Should the rules and regulations provided during the accreditation procedures be changed in the frame of fulfilling the requirements, please submit them in the current version which has come into effect.

Please consult the accreditation report for detailed information on the accreditation process and its outcome. This report will be published on ASIIN's website. The ASIIN Accreditation Commission for Degree Programmes has decided that the information of responsible authorities is the responsibility of each higher education institution.

Please note that substantial changes in the structure, contents and the endowment of the degree programme made within the accreditation period must be brought to our attention. Such changes would have to be examined by the Accreditation Commission for Degree Programmes.

I thank you for the good cooperation with the members of your institution, also on behalf of the peers, and remain

Yours sincerely
